Français oral

The *Français oral* program is designed for people 16 years of age and older whose first language is not French. This theme-based program uses the communicative and experiential approach. Participants learn grammar and strategies to facilitate communication and language learning through a variety of communicative and hands-on activities.

Français oral sessions are offered four times a year. The fall, winter and spring sessions run for 10 or 11 weeks, depending on the session. The summer session runs for 2 weeks, every day from Monday to Friday.
