Conversational Spanish Program

For nearly four decades, the Continuing Education Division of the Collège universitaire de Saint-Boniface (CUSB) has played a prominent role in second-language instruction in Manitoba.

Spanish has been part of our language repertoire for several years now, and students are sure to find our usual high standards and quality teaching staff.

The CUSB campus is easily accessible, just minutes from downtown Winnipeg. Individual students may register to attend classes at the CUSB; however, organizations, businesses and other groups may choose on-site instruction tailored to their own needs and schedules.

DELE (Diplomas de Español como Lengua Extranjera)

The DELEs (*Diplomas de Español como Lengua Extranjera*), issued by the *Instituto Cervantes* on behalf of Spain's Ministry of Education, is an official accreditation of mastery of the Spanish language for citizens of countries where Spanish is not the official language. For more information, please call 237-1818, extension 446.

Full refunds will be granted if a course is cancelled or if the CUSB cannot accommodate your choice of time. The CUSB reserves the right to cancel any particular level if registration is insufficient.

Placement interviews are recommended for individuals who have previous knowledge of Spanish and are unsure of their level. Appointments are not necessary as interviews will be administered over the phone shortly after the CUSB has received your registration.
